

# Come see what Maine has to offer.

The career you've always wanted in a place that will take your breath away. Portland, Maine, one of New England's most beautiful and lively cities, is home to Maine Medical Partners, a 150-physician, multi-specialty group closely integrated with Maine Medical Center. If you're looking to join a dynamic and growing team, in a picturesque location, come see what Maine has to offer your career and your lifestyle.

## *Orthopedic Trauma Surgeon*

Maine Medical Partners - Orthopaedic Trauma & Fracture Care has an immediate full-time opening for an Orthopedic Trauma Surgeon. Our Orthopedic Trauma Division consists of two full-time physicians and is supported by four Physician Assistants. We specialize in the treatment of the most complicated traumatic injuries allowing us to provide the most progressive and effective techniques available.

Situated on the Maine coast, Portland offers the best of urban sophistication combined with small-town friendliness. Just two hours north of Boston this is an exceptionally diverse and vibrant community. Portland is also consistently voted one of the top spots in America to raise a family and was named America's most livable city by Forbes magazine in 2009.
